HOLLYWOOD, October 23, 2021 - The [Location Managers Guild International](#) /LMGI announced the winners of its 8th Annual LMGI Awards themed “Celebrate the Where” today in seven categories, honoring outstanding creative contributions of location professionals in film, television and commercials from around the globe, and recognizing outstanding service by film commissions for their support “above and beyond” during the production process. Hosted by actor and director **Isaiah Mustafa**, this year’s LMGI Awards returned to a virtual ceremony on a digital platform and streamed to a worldwide and more inclusive audience on [YouTube](#) and [Vimeo](#).

Said John Rakich, LMGI President, “‘International’ isn’t a big enough word for what we do. It’s easy to imagine a scene taking place at any spot on the globe, or somewhere in outer space, or in a world

that exists in a post-apocalyptic universe. It's another thing to go out and find it. Every day we, the location professionals, make the impossible possible. Tonight, we celebrate the best of who we are. I congratulate all of our talented LMGI nominees."
